Support for Bill 62 and Bill 63

Chair Martin,

I am giving my support to Bill 62 and 63 for the lagoon and development surrounding it. I am a resident of Ewa Beach. I love Ewa Beach, and am always looking for things to do locally with my friends and family. I think bringing more activities here would be not only good for the community but also for the vitality of this beautiful place. It will give people more reasons to stay local and enjoy the shoreline. My family and I would be thrilled to have those features and opportunities in Ewa Beach and have been anticipating it. Please approve these bills so this can move along and become available to us.

Thank you,

Elderts P. Tsamur
